Stainless Steel Fasteners

Nuts, bolts, washers, allen heads screw and rivets are essential components in construction and manufacturing. Bolts are used to fasten two or more objects together, while nuts are used to secure the bolt in place. Washers are used to distribute the load of the bolt and prevent damage to the surface of the object being fastened. Rivets are used to join two pieces of material together permanently. They are commonly used in aircraft construction and shipbuilding.

Bolts						
	Hex Bolt	Carriage Bolt	Flange Bolt	Wing Bolt	Anti Theft Bolt	Doom Bolt
						
	Allen Cap Screw	Allen CSK Screw	Button Head Screw	Grub Screw with Cone point	Grub Screw with dog point	Tamper proof button head screw
						
	Hex nut	Nylock nut	Flange nut	Self clinching nut	Weld nut	Castle nut
Machine Screws						
	Slotted CSK screw	Phillips CSK Screw	Cheese head screw	Round head screw	Washer head screw	Torx head screw
						
	Flat washer	Square spring washer	lock washer	countersunk washer	Tab washer	wave washer
						
	Round rivet nut	Half Hexagon rivet nut	Closed end rivet nut	CSK head rivet	Round Head rivets	Pop rivets

Bed, Linen cloths

Hotel dormitory products are a set of textiles and accessories that are designed to cater to the needs of hotels and dormitories. These products include bed linens, blankets, towels, bathrobes, slippers, and pillows. They are made of high-quality materials that are durable and comfortable for guests to use.
